We create chemistry

**Hyalurosmooth®**

**A mindful skincare solution for the appearance of  
healthy and radiant skin**

Men and women want to live their lives fully without daily stress of life affecting the appearance of their skin

Extracted from the Indian *Cassia angustifolia*, Hyalurosmooth® supports the desires for a mindful lifestyle to support a healthy skincare routine. Rested from the inside and out, Hyalurosmooth® supports skin's own hyaluronic acid levels while moisturizing and supporting the appearance of radiant skin

**Hyalurosmooth® LS 8998: Aqua (and) Cassia Angustifolia Seed Polysaccharide**  
**Hyalurosmooth® PW LS 8997: Cassia Angustifolia Seed Polysaccharide**
